

WE COULD USE YOUR HELP

If possible, it would be a great help if you could have a couple of men to help Billy & Paula unpack and pack their equipment when they arrive, they will need an 8-foot table setup up in the area where you would like for them to present their ministry display and recordings. Also, depending on the type of meeting, you might consider having the pulpit moved off to the side prior to their arrival in order to give more room to work with. We realize that in many cases this is not convenient, practical, or even possible, and we are happy to adapt to whatever your needs dictate, within reason.

Also, we would like you to be aware that the Speer's are a full-time traveling ministry; the finances derived from their concerts and meetings are their only source of income. Please be considerate of this with regard to the availability of these funds at the time of their meeting with you. Also, many of their hosts choose to add an expense check to the love offering or honorarium to help them offset the rising costs of travel (i.e., \$1 per mile for food, fuel, motel, and other needs). All that we ask is that you take these things into consideration, and if necessary/possible, to mail some of the revenue in advance to help them with their expense in traveling to your location. The Speers are self contained and travel in a motor coach and do not require off-site lodging or food.

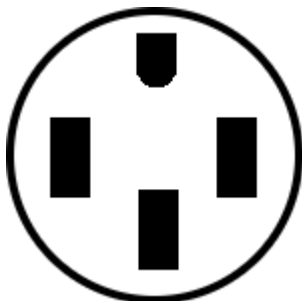

HOWEVER, THEY DO NEED A 220-VOLT ELECTRICAL HOOKUP!

If a 220-volt electrical hookup is not available on the premises or is not allowed due to city ordinance, an RV park with a 50-amp electrical hookup would be appreciated as an alternative. For your information, their motor coach is 40' in length, 12' tall and 8' wide, with two slide outs and weighs about 25 tons. Occasionally they are challenged by the presence of low-hanging trees and steep driveways. Please feel free to call if you have any questions.

Thank you for the opportunity to share their music with you. It is our prayer that the Lord will use this opportunity to allow the Holy Spirit to speak to the hearts of many and hopefully draw men and women to Him, to bring Glory to the Lord Jesus Christ! We pray that souls will be saved and Christians will be encouraged as they grow in the knowledge of God and His Word!
